EDUCATION

SRM Institute of Science and Technology

B.Tech. Computer Science and Engineering *GPA: 9.54*

Chennai, Tamil Nadu

2018 - 2022

EXPERIENCE

The Sparks Foundation

Data Analytics

Remote

Jan 2021 - Feb 2021

- To analyze data and make Machine learning models to predict outcomes with new data

SKILLS

Programming Languages: Python, Javascript, HTML, CSS, C++

Framework: Flask, React, Node.js

Others: Database Management, Operating System, Data Science, Machine Learning

PROJECTS

Blog Webpage *Python, Flask*

A blog page using Flask framework.

Marks Predicting System *Python, Jupyter Notebook, Machine Learning Algorithms*

A simple Machine learning model which predicts marks of students based on previous trends.

AWARDS

SRMJEEE Performance based Scholarship

SRM Institute of Science and Technology

2018
